MASTERS SATSANG PROGRAMME 2026: FOOD COUPONS FAQ

Purpose	<p><i>Why are food coupons being used instead of cash sales?</i></p> <p>Food coupons help us to plan food quantities accurately, reduce queues and cash handling on the day, and ensure fair and smooth distribution.</p>
General	<p><i>Is buying a food coupon compulsory?</i></p> <p>No. Food coupons are strongly recommended as external food cannot be brought onto the property. Do children need a food coupon? Yes. Anyone receiving a food pack must have a food coupon, including children. One coupon equals one food pack. However, you are free to share food from food packs.</p>
Purchasing Limits	<p><i>Is there a limit on how many food coupons I can buy?</i></p> <p>No. There is no limit on the number of food coupons you may purchase. You may buy multiple coupons for yourself or for family members.</p>
Availability	<p><i>Can I buy food coupons on the day of the programme?</i></p> <p>Yes. However, only a limited number of coupons will be sold on the day. Food coupons are primarily intended for advance sale, and availability on the day cannot be guaranteed. Advance purchase is strongly recommended.</p>
Dietary Needs	<p><i>Are dietary requirements (vegetarian, allergies) accommodated?</i></p> <p>All food provided is vegetarian and vegan. Gluten free options will only be available if you pre-order. No gluten free food packs can be purchased on the day.</p>
Validity	<p><i>Are food coupons valid for both Tour days?</i></p> <p>No. Food coupons are day-specific (i.e. separate coupon to be used for Day 1 and Day 2)</p> <p>Please ensure you use the coupon on the correct day as you will not be served otherwise.</p>
Distribution	<p><i>Where will the snack packs be distributed?</i></p> <p>Snack packs will be distributed at designated food distribution points at the venue.</p> <p>Please follow sevadar’s instructions and present your food coupon when collecting food.</p>
Support	<p><i>Who do I contact if there is an issue with my coupon?</i></p> <p>Email: sosnz.msp.registration@outlook.com</p>
